Children and families...

These sessions are lovely for capturing your baby or child's milestones. This is also a perfect way of bringing the family together in our spacious studio.

Sessions can be done either using natural light in our specially designed studio space or by using studio lighting along with various coloured backdrops and props.

Each session lasts up to one hour and can be as creative as you like! You will receive 10x8 complimentary print of your choice.

How far in advance should I schedule my newborn session?

Ideally, mum to be should schedule their session whilst still pregnant. The earlier the better! Your 'due date' will be noted in my diary and once baby is born, give me a ring to announce your fantastic news!

When should I schedule my newborn photo session?

In order to achieve the sleepy, curly poses, newborns are best photographed within the first 10 days. After this, newborns tend to be more alert and tend to sleep less making it a little trickier to achieve poses.

What do I need to bring with me?

Simply, the essentials that you would pack in your changing bag. Plenty of milk if bottle feeding, nappies, wipes and a pacifier if your newborn is using one. Any items that are personal, a family heirloom, christening blanket, personalized named items, outfit changes and favourite toys.

What happens at my shoot?

We will be in contact in the days leading up to your session in order to discuss styling, lighting and props. So all you need to do is just come on in and enjoy!

What if my child/ren doesn't cooperate or sit?

Let them just be themselves. I'll pick up on all the quirky little things they like to do. I always encourage that your child has a favourite toy or are taking part in an activity that they enjoy. The main thing is ensuring that your child/ren is enjoying the experience and is having good fun!

What do I dress my child/ren in for their session?

I can advise you to dress your child/ren in something that will stand the test of time - stay away if possible from logos. If still unsure about clothing, bring a variety of different outfits with you on the day and I will help you choose.
